### **PRESIDENT'S MESSAGE – Joseph D. Pluta**

Aloha Members and Friends of West Maui. Peace be with you.

Recently, we have all been inundated with information on the Coronavirus. The World at large and all of us on Maui are impacted by this unprecedented situation in one way or another. Fear of the unknown ramifications has prompted a myriad of emergency measures which seem to be changing every day while attempting to appropriately address everything that this crisis has forced upon us all. There simply is not any prior medical virus catastrophe like this in history and no known vaccine medicinal cure at this time. It is changing the world.

We have been working on obtaining a West Maui Hospital for over 20 years due to our isolation from essential medical services 24/7 for acute emergency care. While we had planned special community meetings to address a West Maui Emergency Plan with pre-pandemic event planning; mandatory social distancing has postponed our ability to do so. This crisis has magnified our concerns and we pray that it will ultimately result in remedies for our community and responses with future resources and action plans accordingly.

Like many others, I have been reading scriptures searching for guidance on dealing with this crisis and concluded that Love is the answer. God is Love and He has always been the answer. Love has to be more than a word. It has to be an Action.

You may be thinking, I know that it's a problem that West Maui does not have a hospital or 24/7 Emergency Acute care services, but what can I do to make a difference? We must stop thinking about what we cannot do and begin to do what we can do. Ask yourself, will I continue being part of the problem or will I be a part of the answer. I have decided to be a part of the answer. Will you join me and let love be the central theme of your life? Trust in God's pattern of generous giving that says, "Giving, not getting, is the way!"

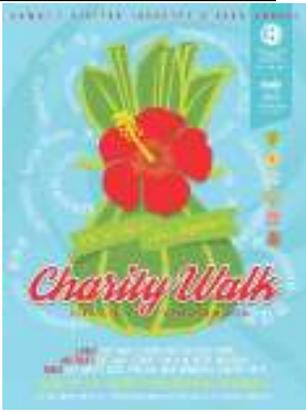

We know what needs to be done and we know we cannot do it without your financial assistance. Please send your tax-deductible donation to the West Maui Improvement Foundation Inc., without delay! Do it today! Mahalo.

Warmest Regards,

Joseph D. Pluta – President/ Treasurer

### **Emergency Planning Update – Joseph D. Pluta**

#### **PRESS RELEASE – FOR IMMEDIATE RELEASE—PRIOR SCHEDULED MEETING FOR APRIL HAS BEEN POSTPONED AND RESCHEDULED FOR THURSDAY, MAY 14, 2020**

The West Maui Taxpayers Association, Inc. (WMTA), is continuing to advocate for Emergency Planning for our Isolated Community with elevated concerns prompted by the threats associated with the Coronavirus.

Failing to plan is planning to fail has been an axiom taken to heart in our isolated community when emergencies occur. We are subject to unprecedented challenges to receive acute lifesaving care and all too often have suffered tragic outcomes too painful to describe.

In emergencies, our options are limited and our challenges heightened by the threat of the corona virus threat. It's already a serious risk to live in West Maui over an hour away from access to an Emergency Room for life saving acute care. It's obvious that this new threat illustrates things are worse when pandemic healthcare threats present themselves.

We have RESCHEDULED a community meeting event with an Expert on Emergency Preparedness plans and Pre-pandemic planning and preparations FOR THURSDAY, MAY 14, 2020<sup>a</sup> at the West Maui Kaunoha Senior Center at 5pm. Dr. Dennis Terpin, an Expert in Emergency Planning. We have invited other experts to join us as well as Maui Mayor Michael Victorino. Dr. Terpin can be reached directly by contacting him at [www.Safety1hawaii.com](http://www.Safety1hawaii.com). (Info. - Dennis Terpin at [Ua446@aol.com](mailto:Ua446@aol.com) – 630-699-7171)

This WMTA Community event is at the West Maui Kaunoha Senior Center, (788 Pauoa St. **Lahaina**) is free of charge and open to all.

More information on this Event can be found on our website at [www.westmaui.org](http://www.westmaui.org)

## Membership Update – Joseph D. Pluta

We are compelled to repeat what we stated last month to you. Perhaps restating it again will be more impactful this month with more people self isolating with more time to read our call to action for supporting our advocacy efforts!

Last month, we wrote that “we understand that there are lots of worthy organizations seeking your support and that as such you have to decide which one’s you can support financially or otherwise.”

We also stated that “we respectfully suggest that if you reside or own property in West Maui, its essential that you support the WMTA and WMIF as your advocate for needed attention to our communities’ needs. No other community organization(s) have accomplished more.”

Our web site at [www.westmaui.org](http://www.westmaui.org) provides resource access to vital information and proves evidence of actual accomplishments unparalleled anywhere else on Maui.

This is an election year and all mail in voting is going to be implemented. Our non resident members who do not vote must rely upon us to advocate for them. That’s one of the major reasons the WMTA was created, as the absentee property owners did not have adequate representation in local government.

West Maui Property Owners recently experienced the largest property tax increase in Maui’s history. It seems that this extra income has been parked in budgetary placeholders instead of put into capital improvement projects towards resolving the several “crisis,” situations declared for homelessness, affordable housing, shoreline eroded roadways, emergency preparedness, and wastewater treatment improvements.

Everyone who resides in West Maui or owns property in West Maui should be supporting the WMTA. We have earned the support and our track record proves it. There are many challenges ahead of us and we are ready and eager to address them with your continued outstanding support. We do not receive any funding from the County or State and rely solely on our communities private donations. Please be a part of the solution and support the WMTA with a donation today! Mahalo.
