VICE-PRESIDENTS MESSAGE – Joseph D. Pluta

We acknowledge with enthusiasm, the decision by our Past President, Rick Nava, to become an Official candidate for the West Maui County Council Seat. As per the WMTA bylaws, if any director becomes an official candidate for political office, that board seat becomes vacant automatically. As V.P., I will be assuming the duties of President of WMTA which I am very familiar with having served in that capacity before. We have 4 vacancies on the WMTA board at this time and we urge any West Maui Resident interested in serving with us to contact any board member or our office at 808-661-7990. See www.westmaui.org for more information.

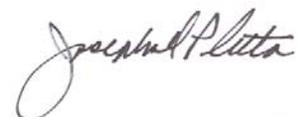

We have an ambitious agenda of activities in process at this time. For example, we are now working on the final touches being proposed for our West Maui Community All Hazard Emergency Disaster Plan as part of the HHARP meetings we've held the past 12 months. In addition, we have a couple of voter information events planned for Political Candidates Primary and General Election Community Forums.

Your WMTA board is actively seeking candidates for nomination to the West Maui Community Plan Advisory Committee. ("CPAC"). Section 2.80B.080, Maui County Code, states that the CPAC shall be composed of 134 members, 9 appointed by the Council and 4 appointed by the Mayor. The community plan was last revised in 1996 and includes the area from Ukumehame to Honokohau.

We will be urging our board members to offer their services to the Council and Mayor for CPAC as they have already demonstrated a keen interest in our community serving our WMTA members and our community. How about you? Are you interested in serving on the CPAC? Contact the Council's CPAC for more information at pea.committee@mauicounty.us or via phone at 270-7134. For more information on the Process, you can also contact the Department of Planning, Long Range Division, at 270-7214 or refer to the Department's web site at <https://wearemaui.org>

If there ever was a time when your financial support to the WMTA was needed, now would be the time. Your investments in West Maui are valuable to you and your family. We urge you to put some monetary support behind that fact. Please note the financial donation information form and return envelope in this mailing to you. Do not delay. Do it today! Mahalo nui loa.

Aloha,

Joseph D. Pluta – Vice-President/President Emeritus/Treasurer

WMTA EMERGENCY PREPAREDNESS COMMUNITY MEETINGS CONTINUES

WMTA is now working on the final touches being proposed for our West Maui Community All Hazard Emergency Disaster Plan as part of the HHARP meetings we've held the past 12 months.

If you wish to be part of these final steps and have time and availability to meet, please contact Joe Pluta at 808-661-7990.

More Information on WMTA and Disaster Preparedness can be found at www.westmaui.org.

LAHAINA BY PASS – SOME PERSPECTIVES AND INFORMATION

THE WMTA started the whole discussion about a need for a Lahaina Bypass over 39 years ago. We have come a long way but it's also taken a long time. Too Long. And there's much more to be done. Has it resulted in some improvements in the drive time to and from "the other side?" – Yes, and that's been the most welcomed result so far. We have an economic engine in West Maui that deserves more proper consideration to continue to benefit our community and the State and local government.

We have learned that the MPO, Metropolitan Planning Organization, has specifically excluded the Lahaina Bypass from its deliberations and mission. We are very disappointed in that. Who made that decision? Not the people who commute to West Maui, you can be sure that they were not asked. There are thousands of cars commuting to and from West Maui daily by workers who have no choice as there is no place for them to rent in West Maui. They are coming to Kaanapali Hotels, but the Bypass does not go to Kaanapali!

We need a Governor and State Representatives, a Mayor and a County Council that recognizes what we all know. Especially and primarily, that the extension of the Byass North to beyond Puukolii Road, hopefully to Kakaalaneo at least, will be on the urgent priority for the State DOT.

We now have a controversial situation whereby a connector roadway at Keawe Street is being used as the Northern Terminus for the Bypass. The attempts to make the Keawe Street safe have been on going and in our opinion, there is much more to be done! Walking across the street between the Walgreens's area and the Lahaina Gateway shopping center is very dangerous. The cars attempting to get across have a real challenge, with frequent horn beeping and many near-accidents.

MHLA CHARITY WALK RECAP

Congratulations to the Maui Hotel Lodging Association on a successful Maui Visitor Industry Charity Walk. Maui County (Maui, Molokai, and Lanai) raised over \$1.35 million, breaking their record, and surpassing their goal!

West Maui Improvement Foundation (and West Maui Taxpayers Association) participated in the Charity Walk as walkers. WMIF also applied for a grant offered via the Charity Walk, which we hope will be awarded to help WMIF & WMTA continue to work towards is goals & mission!

Pictures: (Left) Joseph Pluta (WMTA Vice-President/President Emeritus/Treasurer) and wife, Carole, showing off their special edition t-shirt as a WMIF supporter in the Charity Walk. (Bottom): Former President of WMTA, Rick Nava with Brian McCafferty of Teens on Call.

We look forward to the Charity Walk every year as it helps many non-profits across the island (including us!) with grants for the very important work we all do!

We hope to see you all there next year 😊

RICK NAVA FARWELL & MAHALO

Aloha Kakou,

It is bittersweet for me to resign as the President of the West Maui Taxpayers Association to become a candidate for the West Maui Council seat.

For the last four years that I've served as a Board Member of WMTA and President the last two years, it was an honor for me and a privilege to take on the leadership. We did our best to improve our community and way of life on West Maui. However, there is so much more that can be done, and I will do my utmost to ensure that West Maui will receive the attention it needs to continue to be the economic engine of Maui and for our community and our lifestyle to not be compromised.

As I seek the office of one of the Councilmembers of the County of Maui, I will be very mindful of the West Maui Taxpayers Association's Goals and Objectives and will ensure that they are at the forefront, not only for us here on West Maui, but the entire County of Maui.

Once again, thank you for allowing me to serve as the President of the West Maui Taxpayers Association.

A hui hou,

Rick Nava

SOME IMPORTANT QUESTIONS FOR YOU!

DID YOU VOTE IN THE LAST HAWAII ELECTIONS?

DO YOU THINK IT'S IMPORTANT TO VOTE?

DO YOU KNOW WHICH CANDIDATES SUPPORT POSITIONS YOU BELIEVE ARE ESSENTIAL TO PROTECTING YOUR INVESTMENT AND THE QUALITY OF LIFE ON MAUI?

The WMTA has diligently been informing our members and residents of Maui via Candidate Forums for the past 40 years! No other organization comes close.

The WMTA pays Akaku TV to tape and rebroadcast these events. We feed our attendees with delicious meals to encourage their participation and attendance as the time typically impacts dinner hours.

This costs us approximately \$2,000 for each event and we need your help to offset these expenses.

PLEASE MAKE A CONTRIBUTION TO THE WMTA TODAY TO HELP US CONTINUE TO HELP YOU! MAHALO!
